

About Us

Kingston Smith LLP is a top 20 accountancy firm providing the full range of services to entrepreneurial businesses, not-for-profit organisations and individual clients. Most of our commercial client businesses are managed by the people who own them. Through our many years' experience of dealing with owner-managed businesses, we understand how entrepreneurs think and the stages in which their businesses develop.

As a result, in addition to audit and accounting work, we have built up a wide range of specialist services from 6 offices in London and the South East to support you as your business grows and develops. [Read more](#).

Other than Kingston Smith LLP, we provide these services through these subsidiary businesses:
