

Music - Industry Representatives

Trade bodies

MMF – [Music Managers Forum](#) - this is a trade body which represents managers in the music industry. They are a client of Kingston Smith W1 and we often speak at their seminars and training events.

FAC – [Featured Artist Coalition](#) - this is a new organisation created recently by a number of well know artists. Kingston Smith W1 have already formed a close relationship.

AIM – [Association of Independent Music](#) - is an organisation that represents independent record companies. They are a client and we or often asked to speak at seminars and events they organise. We also contribute to their published members magazine.

MPA – [Music Publishers Association](#) - we have been involved in a number of seminars run by the association as well as meetings with Treasury officials regarding the rules relating to EIS and their interpretation and how they impact on the music publishing community.

Trade Magazines

Music Week - we are regularly asked for our views on certain topical matters and are quoted in articles.
