Jon Sutcliffe joined Kingston Smith in 1989 and trained in the firms St.Albans office. After qualifying as a chartered accountant, he transferred to the firms City office in 1996 and became a partner in 1999.

Jon is a general practice partner, and advises a range of sole traders, partnerships and companies ranging from start up growing companies to mature businesses on many aspects of their financial affairs. He heads up the firms specialist offering to technology businesses, and enjoys the steep growth curve of these companies and the specialist services this draws on. He also advises clients in the healthcare sector, and security and investment businesses. Services provide include dealing with audit, accounts, fundraising and the interaction between businesses and personal taxation issues.

Jon is a regular attendee at London Business Angels events and is a director of British Business Angels Association and regularly writes in the business section of the The Sunday Times, answering questions in its Business Doctor column.
