Maureen Penfold is a general practice partner dealing with a variety of clients ranging from sole traders to corporate owner managed businesses. Maureen is a home-bred partner having undertaken a training contract with Kingston Smith.

A key part of her work includes advising owner managed businesses on day-to-day business management, important issues and future strategies (both from a business and personal perspective). Maureen is head of the firm's Manufacturing sector group and is an active member of our Leisure & Hospitality sector group.
