

## Accounting and Audit

We offer a full range of auditing and accounting services including:

- VAT reclaims particularly in respect of past activities
- Preparation of VAT returns
- Preparation of year end financial statements
- Tax advice and tax compliance including VAT advice in dispensing, non-medical income etc
- Audit of year end financial statements
- Bookkeeping and preparation of management accounts
- Payroll services
- Assistance with the compilation of financial forecasts, including cash flows and tender documents
- Assisting with superannuation matters, including the preparation of year end certificates

These services are provided by tax specialist accountants and auditors who understand the issues being faced by the healthcare sector. Our team ensures that timely information is available to you when law or regulations change, to help you maximise your financial gain.
