

Healthcare

From sole practitioners and consultants to large national companies, we have a wealth of knowledge and experience in the fast-changing field of healthcare. Kingston Smith can help you confront the challenges that the healthcare sector faces, whether it be budgetary controls, ever changing legislation or changes to commissioning and structures.

We have a multi-disciplinary, dedicated healthcare team which has considerable experience in the sector and works with:

- GPs, locums, dentists, veterinary practices, consultants and other healthcare professionals
- Pharmacies
- Nursing and elderly care homes
- NHS suppliers
- Hospitals
- Primary Care Trusts
- NHS Trusts
- Private healthcare providers

✘ Kingston Smith's medical accountants provide specialist accounting services to the healthcare sector, which includes services around gp pensions and gp retirement

How we can help you

We will provide you with the right advice at the right time. We do this by providing you with a partner who is accessible, who will take the time to understand your business and who will co-ordinate a team of professionals to meet your objectives.

Our healthcare team can help you run your organisation more successfully by delivering services specific to your needs. These include advice on:

- [Changes in partnership](#) - agreements and succession planning, including new and retiring partners
- Practice based commissioning - including tendering and negotiations on contracts
- [Mergers, acquisitions](#) and [disposals](#) for private care providers
- Planning [ownership structures](#) to minimise tax exposure using Partnerships, Limited Liability Partnerships, Limited Companies and Offshore Companies
- [Accounting and Audit](#) - including bookkeeping, payroll services and the preparation of management accounts and audit of year end financial statements
- [Funding and financial advice](#) is provided by Kingston Smith Financial Advisers
- [Wealth management](#) - planning of your personal tax and investments
- [HR consultancy](#)
