

## Property and Construction Consultants

### Getting the right advice

With the property sector continuing to face such tough times it is now more important than ever to have advisors who not only understand the issues Property and Construction Consultancies face but also have in-depth experience of working in the property sector. As one of the leading firms specialising in advising Property and Construction Consultancies we are ideally placed to help you deal with those challenges. In fact, through our in-house publication 'Professional Firms Insight' we regularly highlight the key business, accounting, personal finance, tax, HR and compliance developments that directly affect Professional firms.

### What we can offer you

Our specialist Professional Firms team offer a comprehensive range of services, each tailored to your requirements. These include:

- Team structuring, succession planning and remuneration
- Business funding
- Performance improvement and benchmarking
- LLP/Company status
- Mergers and acquisitions
- Business valuations
- Audit, accounting and tax compliance
- Taxation planning and investigations

For more information on how we can help Property and Construction Consultants [click here](#).

### About Kingston Smith's Professional Firms team

The eight partners and seven managers in Kingston Smith's specialist Professional Firms team have a wealth of experience providing sound advice to Architects, Patent and Trade Mark Attorneys, Property Agents, Lawyers and Property & Construction Consultants. As a top 20 firm of Chartered Accountants, with 60 partners in seven UK offices and a founding member of KS International, we can meet your UK and international business needs.
