

Company Secretarial

Your time is precious.

You want to make the best use of it and just get on with running your business. Statutory obligations call on you, however, to comply with the Companies Act and meet specific deadlines. At Kingston Smith, we have developed a company secretarial service to free up your valuable time. By taking over routine statutory tasks, we can give you assurance that you are complying with your obligations – both accurately and on time.

Our service is built on four key areas:

- [Company Formations](#)
- [Filing Statutory Documents](#)
- [Information Resources](#)
- [Regulatory Services](#)
