

India Desk

The India desk at Kingston Smith is a "One Stop Shop" for Indian businesses of all sizes and across all verticals, offering boutique services in a professional and responsive manner.

We at Kingston Smith have acted for a range of Indian businesses from start-ups and SMEs through to the large multinational corporations, for over two decades. Some of India's leading business houses and many of India's top IT firms have found Kingston Smith to be a professional and truly value adding business advisor, able to work closely with them to enable the achievement of their business objectives in the UK.
