

Inward Investment

Kingston Smith assists overseas businesses of all sizes, seeking to establish themselves and expand within the UK. A significant advantage of these services is that the business does not have to commit itself to an expensive infrastructure until such time as the business becomes better established. Kingston Smith can support these organisations in a professional and responsive manner by offering the following services:

- Tax efficient structures - branch/subsidiary
- [Bookkeeping and management accounts preparation](#)
- Reporting to overseas holding company
- Payroll
- HR consultancy
- [Company secretarial](#)
