

## Latin American Desk

To view the latest article [click here](#)

The Latin American desk at Kingston Smith is a “one stop shop” for Latin American businesses of all sizes and across all sectors as well as individuals. We offer boutique accounting and taxation services in a professional and responsive manner.

We are members of the British and Colombian Chamber of Commerce. We are a recommended accounting firm on the UK Trade and Industry (UKTI) Advisory Network for Inward Investors and we are also a commercial partner with Think London, London’s official foreign direct investment agency.

Kingston Smith is a founder of [KSI](#) an international association of independent accountancy firms providing advice on accounting, audit and taxation matters.

Our specialist services cover the following areas:

[Inward Investment](#) from Latin America to the UK

- [Business structuring](#)
- [Accounting and audit](#)
