

Managing your payroll effectively

Your potential, our expertise

Payroll management is complex, with legislation, accuracy, confidentiality and timeliness all equally important. For many businesses, outsourcing their payroll function is the most efficient solution.

Secure,
cost-effective,
resource-efficient,
timely

As a top 20 accounting and business advisory firm, we at Kingston Smith combine expert knowledge, defined processes and commercial nous in one customisable payroll package to suit your exact needs.

Benefits of outsourcing your payroll to Kingston Smith

- **Saves you time** - Handling payroll is time consuming. Outsourcing frees up your time so you can focus more on your business.
- **Keeps you legally compliant** - Staying up to date with legislation is complex. Our experts are fully informed and notify you immediately of changes affecting your business.
- **Reduces your costs** - Processing your payroll in-house requires specific and expensive resources and training. Outsourcing this function improves your bottom line.
- **Provides a team of payroll specialists available when you need them** - Outsourcing gives you access to a much wider range of knowledge, experience and expertise, including tax, VAT, HR policy, pensions and HMRC liaison.

Simply put, outsourcing your payroll to us gives you peace of mind, allowing you to focus on what you do best - running a successful business - while saving you money.

About Kingston Smith's payroll solutions

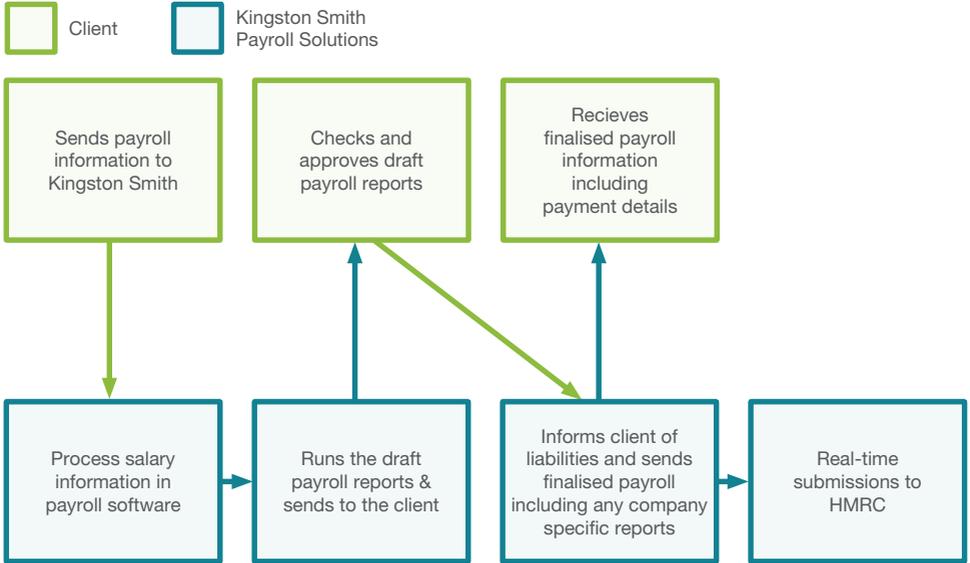

Our payroll team ensures the smooth payroll management for some 800 employers. What sets Kingston Smith apart from the crowd is the way we listen, question and get to know your business. Then we function as part of it.

We work with you to understand your potential and ambitions. With 60 partners and over 500 people in six offices in London and the South East, we support entrepreneurial businesses, private individuals and not for profit organisations across a variety of sectors.

“Thanks to the expertise and friendliness of my adviser at Kingston Smith, my weekly task quickly became so easy; calculations were delivered speedily and efficiently. The nightmare I envisaged evaporated at once and queries are dealt with simply and in an understanding manner.”
